Opening Prayer

A Reading from the Acts of the Apostles

Reflection

- 
- 
- What are some practical ways that I can make sure that the way I use technology is rooted in my relationship with God?
- 
- 

- 
- 
- Similar to the dispels after Pentecost, what are some guidelines for what to write and say that will bring people together to reflect God's Love?
- 
- 

Together, let us pray:

We are thankful for your love. In all we say, all we do, and who we are, may we remember that we are witnesses of your love in the world. May the power of the Holy Spirit strengthen us to make positive decisions and communicate your love. We ask this thought Christ our Lord. Amen.
