

Welcome Youngstown Diocese

Pope Francis wants to hear from YOU!

The Catholic Church needs to hear from you!

In October 2018, Catholic bishops from all over the world will meet in Rome for a synod focusing on

“Youth, Faith and Vocational Discernment.”

The goal of the synod is to develop a pastoral guide on how the Church encounters young adults (primarily

ages 16 - 29) and how it can better help those young people to encounter Jesus.

YOUR INPUT IS NEEDED!

There are separate surveys for each of the following:

> Catholic Teens (high school aged)
> Non-Catholic Teens (high school aged)

> Catholic Young Adults (ages 19-30s)
> Non-Catholic Young Adults (ages 19-30s)

> Parents/Family of teens and/or young adults
> Parish staff and Leadership
(including those in Catholic Schools and other institutions)

By completing a survey, you will contribute to the conversations that will take place in Rome next year by Bishops and Pope Francis. This information will also be shared with diocesan offices and submitted to the United States Conference of Catholic Bishops for a national report to the Synod.
